MatrixCare®
Integrated Care. Better Outcomes.

TimeTracker

Expertly manage your workforce in long-term care with a solution that supports your business goals, compliance needs, and variable hour scheduling challenges.

MatrixCare's TimeTracker is an integrated cloud-based time and labor management system with real-time absence management, scheduling and custom reporting features.

TimeTracker's configurable mobile and desktop interface with advanced functionality helps reduce labor costs, calculate accurate overtime rates, and create direct and indirect care reports. This technology allows you to focus on ensuring the highest quality care for every patient by scheduling the right workers at the right time.

ENHANCE YOUR RESIDENT-CENTRIC SOLUTION

Manage budgets and employee schedules through reporting on direct and indirect care labor by location, unit, department or position, in hours. Interactive summaries support dynamic sorting of relevant data to reflect quality of care priorities.

IMPROVE ROI

Deliver the highest quality patient care and control overtime costs. Compare and manage your direct auxiliary services, budgets versus schedules, budgets versus actuals, and monthly census ratios.

MEET PATIENT NEEDS

Avoid gaps in care with group scheduling and real-time notifications that includes employee call out features for absence management.

ELEVATE EMPLOYEE EXPERIENCE

Simplify critical absence and labor management tasks through real-time alerts such as initiating call offs, call backs and requesting a shift. Proactively track employees approaching overtime or full-time.

REDUCE RISK

Meet organizational, federal, state, and local labor compliance requirements while still accommodating employee leave requests, unexpected absences, and census changes via desktop and mobile interaction.

LOWER ADMINISTRATIVE BURDENS

Automate calculations for overtime, shift premiums, call backs, and transfer hours. Configure day divides at 11 p.m. and adjust midnight day divides for PBJ. Customize your PTO policy, seniority-based rules, flex-time, floating holidays, and paid time off benefits based on days worked.
