

Cut your payment process in half with MatrixCare's new payment portal

MatrixCare's new payment portal is an automated solution that simplifies payment processing, enables residents to securely manage accounts and pay invoices online and seamlessly integrates with your MatrixCare technology so you can speed up month-end closing.

THE PROBLEM

Manual payment processes

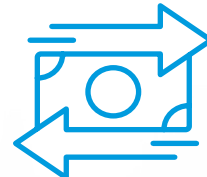

67% more time-consuming* than automated and self-payment options

Prone to errors and higher costs, and is a strain on human resources

THE SOLUTION

MatrixCare's new payment portal

Streamlines and automates accounts receivables and payment processing

Integrated platform for secure and seamless payment processing

Steps to process payments

Take advantage of the following benefits:

Help increase your cash flow and get paid more quickly

Access statements and make payments 24/7/365

Eliminate the need for printing and mailing resident statements

Reduce outstanding average collection days by up to 20%

Allocate more staff time to focus on your residents

Discover how MatrixCare's new payment portal can help streamline your payment process. **Contact your account manager to schedule a demo.**
