

Better care starts with a Best in KLAS solution

What it means to be Best in KLAS

We're honored that MatrixCare's home health and hospice EHR has been named Best in KLAS for 2026—that makes seven years in a row! To receive this recognition, we've earned top marks on performance over the past year, scored based on customer responses to equally weighted questions, across six key metrics.

But what does that mean for you? It signifies our commitment to helping you deliver exceptional care amid industry challenges and changes.

What your organization can experience

Dedicated culture

Collaborate with experts committed to your success, driven to deliver high-quality software that helps improve patient care and business growth.

Loyalty built on experience

Rely on a solution built by those who've been in your shoes, helping you keep up with changing regulations and patient needs.

Smoother operations

Minimize manual tasks and maximize training and efficiency to help improve staff satisfaction and provide more time to focus on patient care.

Products for everyday challenges

Access innovative tools designed to seamlessly integrate with your system to help address your greatest pain points and meet industry challenges.

Stronger relationships

Connect with a team of experts that works with you to resolve issues and help you get the most from your solution.

Value that grows with you

Experience a cutting-edge solution and ongoing support to help you streamline workflows, improve patient outcomes, and boost your bottom line.

A Best in KLAS solution like MatrixCare can help you make a real-world impact.
